MAKE LIFE A RIDE

ONLY THE BEST FOR YOUR BMW.

You want to be able to trust your BMW implicitly. All the time, 100 percent. So make sure you always use Original BMW Motorrad Parts. They remain available until your bike reaches old age, and can be obtained at short notice thanks to perfect storage logistics. State of the art production techniques guarantee high quality and performance. The parts are equivalent to standard products and must undergo numerous tests to ensure they meet the same strict requirements such as those imposed on our initial parts. And above all, they are optimally attuned to and approved for your machine. Give your BMW what it deserves – nothing but the best: for optimal performance and riding fun over its entire service life.

(+) = "and" – this item must be ordered at the same time

(o) = "or" – this item may be ordered as an alternative option

*1 To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership

*2 For detailed information, please contact your BMW Motorrad dealer or visit www.bmw-motorrad.dk

*3 Supplied without LED flashlight batteries; four LR41 1.5 V button cells required

*4 Instructions for fitting and use available from your BMW Motorrad dealership

*5 For solo riding only

*6 The rear bag, aluminium seat hump cover and pillion comfort seat cannot be fitted at the same time

*7 Recommended if pillion frame is not fitted

*8 Can be fitted either without a pillion frame (for solo riding only) or in conjunction with a pillion frame; if a pillion frame is not fitted, the pipe is only available in conjunction with a silencer bracket

*9 We recommend combining this item with the main frame screw cover (because the pillion frame is not fitted)

*10 Only available in conjunction with Dynamic Traction Control (DTC)

*11 Can only be used in conjunction with rear Sport workstand.
