## Værd at vide:

Man kommer i menuen ved at holde plus eller minus ned i 10 sekunder.

Når man er i menuen kan man bladre i menuen ved at trykke 1 gang på + hvert tryk på + bladrer et punkt i menuen.

Når man er nået til sidste menupunkt starter listen forfra.

**OBS! Nogle menupunkter kræver man kvitterer med - (minus) tasten for at aktivere.**
