MAKE LIFE A RIDE

ONLY THE BEST FOR YOUR BMW.

You want to be able to trust your BMW implicitly. All the time, 100 percent. So make sure you always use Original BMW Motorrad Parts. They remain available until your bike reaches old age, and can be obtained at short notice thanks to perfect storage logistics. State of the art production techniques guarantee high quality and performance. The parts are equivalent to standard products and must undergo numerous tests to ensure they meet the same strict requirements such as those imposed on our initial parts. And above all, they are optimally attuned to and approved for your machine. Give your BMW what it deserves – nothing but the best: for optimal performance and riding fun over its entire service life.

Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.dk for more detailed information

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3) Also available as optional equipment.

4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6) Note national-market version.

15) Only in combination with a suitable passenger or rider's seat.

16) Only in combination with auxiliary stand, rear.

23) Only in combination with OE navigation preparation.

35) Only in combination with Option 719 rider footrest, adjustable, left/right.

42) Only in combination with aluminium cases / case carrier / attachment set.

43) Only in combination with topcase carrier / topcase.

48) Not in combination with Rallye seat with luggage plate. Only in combination with P/N 77 30 8 546 226 "Set of covers for grab handle holes", if the standard passenger grab handles are removed.

6) Not in combination with aluminium luggage carrier.

85) Suitable only for case carrier.

87) For vehicles without navigation preparation.

94) For off-roading only, not approved for use on public roads.

116) Other container sizes available, see EPC.

117) When used with aluminium cases, the black coating can be rubbed off at the contact points.

119) Supplied without batteries for LED torch; four button cells, 1.5 V, type LR-41 required.

121) Attention: Charging only. No multimedia function.

123) 230-V version.

127) Without OE 6AC (intelligent emergency call).

134) Without OE 193 (Keyless Ride).
