ORIGINAL BMW MOTORRAD ACCESSORIES PRICE LIST 2023

MAKE LIFE A RIDE

ONLY THE BEST FOR YOUR BMW.

You want to be able to trust your BMW implicitly. All the time, 100 percent. So make sure you always use Original BMW Motorrad Parts. They remain available until your bike reaches old age, and can be obtained at short notice thanks to perfect storage logistics. State of the art production techniques guarantee high quality and performance. The parts are equivalent to standard products and must undergo numerous tests to ensure they meet the same strict requirements such as those imposed on our initial parts. And above all, they are optimally attuned to and approved for your machine. Give your BMW what it deserves – nothing but the best: for optimal performance and riding fun over its entire service life.

Please contact your dealer or visit bmw-motorrad.se for more detailed information

(+) = "and" – this item must be ordered at the same time

(o) = "or" – this item may be ordered as an alternative option

1 Installation and/or enabling in a specialist workshop, preferably at your authorised BMW Motorrad Retailer.

2 Not in combination with LED flashing turn indicators

3 Information on individual restrictions in riding speed and payload can be found in the operating instructions

4 Only in combination with aluminium case holder

5 Only in combination with OE navigation preparation.

7 Only in combination with OE Keyless Ride

8 Not in combination with navigation preparation retrofit set

9 Only in combination with a dual USB charger

10 The additional headlights are approved as fog lights and may only be used in poor weather conditions. Country-specific road traffic regulations shall be observed.

11 Please pay attention to marketability. Not all part numbers are available in every market due to import laws for chemical products.

13 The installation instructions are available for download on the BMW Motorrad website.

• = Principal part

(+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part

Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.se for more detailed information

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2) The installation instructions are available to customers for download from bmw-motorrad.com/installation-instructions.

3) Also available as optional equipment. 4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload. 5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market. 6) Note national-market version.18) Only in combination with single seat for luggage rack.

20) Only in combination with luggage carrier.21) Only in combination with passenger frame.

25) Only in combination with holder for BMW Motorrad navigation system. 34) Only in combination with silencer in low position.

52) Not in combination with OE 499 (lowered suspension). 53) Not in combination with luggage rack.

57) Not in combination with rear bag. 59) Not in combination with tail-hump cover. 69) Not in combination with Scrambler single seat or Comfort passenger seat. 87) For vehicles without navigation preparation. 93) For one-up riding only.

107) Combination with rear bag, tail-hump cover and Comfort passenger seat not possible. 111) Only in combination with OE 499 (lowered suspension).116) Other container sizes available, see EPC. 123) 230-V version. 127) Without OE 6AC (intelligent emergency call).

154) Only for ECE version. 162) Only in combination with holder for side bag. 169) Not in combination with side bags.

• = Principal part(+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part
Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.se for more detailed information
1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.
2) The installation instructions are available to customers for download from bmw-motorrad.com/installation-instructions.
3) Also available as optional equipment. 4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload. 5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market. 6) Note national-market version. 18) Only in combination with single seat for luggage rack. 20) Only in combination with luggage carrier.
21) Only in combination with passenger frame. 25) Only in combination with holder for BMW Motorrad navigation system.
34) Only in combination with silencer in low position. 52) Not in combination with OE 499 (lowered suspension).
53) Not in combination with luggage rack. 57) Not in combination with rear bag. 59) Not in combination with tail-hump cover.
69) Not in combination with Scrambler single seat or Comfort passenger seat. 87) For vehicles without navigation preparation.
93) For one-up riding only. 107) Combination with rear bag, tail-hump cover and Comfort passenger seat not possible.
111) Only in combination with OE 499 (lowered suspension). 116) Other container sizes available, see EPC.
123) 230-V version. 127) Without OE 6AC (intelligent emergency call). 154) Only for ECE version.
162) Only in combination with holder for side bag. 169) Not in combination with side bags. 198) For low installation, with passenger frame
199) For low installation, without passenger frame 200) For high installation, without passenger frame
201) Not suitable for Tracker rear end trim. 202) Only in combination with passenger seat or tail-hump cover.
203) Not suitable for Sports silencer, high. 204) Only in combination with Dirt Track rear end trim.

* = Principal part
 (+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part
 Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.se for more detailed information
 1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.
 2) The installation instructions are available to customers for download from bmw-motorrad.com/installation-instructions.
 3) Also available as optional equipment. 4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload. 5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market. 6) Note national-market version. 18) Only in combination with single seat for luggage rack. 20) Only in combination with luggage carrier.
 21) Only in combination with passenger frame. 25) Only in combination with holder for BMW Motorrad navigation system.
 34) Only in combination with silencer in low position. 52) Not in combination with OE 499 (lowered suspension).
 53) Not in combination with luggage rack. 57) Not in combination with rear bag. 59) Not in combination with tail-hump cover.
 69) Not in combination with Scrambler single seat or Comfort passenger seat. 87) For vehicles without navigation preparation.
 93) For one-up riding only. 107) Combination with rear bag, tail-hump cover and Comfort passenger seat not possible.
 111) Only in combination with OE 499 (lowered suspension). 116) Other container sizes available, see EPC.
 123) 230-V version. 127) Without OE 6AC (intelligent emergency call). 154) Only for ECE version.
 162) Only in combination with holder for side bag. 169) Not in combination with side bags. 198) For low installation, with passenger frame
 199) For low installation, without passenger frame 200) For high installation, without passenger frame
 201) Not suitable for Tracker rear end trim. 202) Only in combination with passenger seat or tail-hump cover.
 203) Not suitable for Sports silencer, high.
 204) Only in combination with Dirt Track rear end trim.

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

•• = Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.se for more detailed information

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3) Also available as optional equipment

5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6) Note national-market version

7) For NSCs except in USA, Canada, Mexico, Argentina, Brazil and China and for some importers

10) Only in combination with set of engine protection bars left/right

32) Only in combination with Option 719 wheel rear, Classic / Option 719 wheel front, Classic

55) Not in combination with front footboard

88) Liner suitable for right and left case

112) See the operating instructions for information about installation.

116) Other container sizes available, see ETK/EPC

123) 230 V version

127) Without OE 6AC (intelligent emergency call)

129) With OE 417 (central locking system)

144) Restricted operation of OE 417 (central locking system)

145) Suitable only for OE 47A (Grand America)

233) Included in OE 47A (Grand America)

• = Principal part (+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part
Contact your dealer or visit bmw-motorrad.se for more detailed information
1 Installation and/or enabling in a specialist workshop, preferably your authorised BMW Motorrad retailer.
2 The installation instructions are available for download from bmw-motorrad.com/installation_instructions.
3 Also available as optional equipment.
4 Information on individual restrictions in riding speed and payload can be found in the installation/operating instructions.
5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.
6 Note differences in national-market version.
16 Only in combination with auxiliary stand, rear.
20 Only in combination with luggage carrier.
23 Only in combination with OE navigation preparation.
24 Only in combination with a dual USB charger.
28 Only in combination with M forged wheel front/rear.
29 Only in combination with topcase small, 30 l / outer shell, topcase lid.
45 Only in combination with trim panel for touring case.
74 Not in combination with engine protection bars.
75 Not in combination with LED auxiliary headlights.
112 See the operating instructions for information about installation.
121 Attention: Charging only. No multimedia function.

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer. 2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions. 3) Also available as optional equipment. 4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload. 5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market. 6) Note national-market version. 16) Only in combination with auxiliary stand, rear. 22) Only in combination with passenger seat. 23) Only in combination with OE navigation preparation. 25) Only in combination with holder for BMW Motorrad navigation system. 27) Only in combination with M Carbon front/rear wheel. 28) Only in combination with M forged wheel front/rear. 59) Not in combination with tail-hump cover. 65) Not in combination with Sports silencer. 92) For use on racing circuits only. 113) Required on vehicles with RDC. 116) Other container sizes available, see EPC. 123) 230-V version. 127) Without OE 6AC (intelligent emergency call). 191) Only in combination with M Carbon rear-wheel cover. 192) Only in combination with M Carbon chain guard. 196) Without OE X18FA (M GPS-Laptrigger).

S 1000 RR

Performance Parts

Carbon front wheel
 (+) Brake disc (order 2x)
 (+) Sensor ring
 (o) Repair kit, angle valve, RDC (order 2x)
 (+) Cheese head screw (order 12x)
 (o) Sign, RDC tyre pressure control (order 2x)
 (+) Angle valve (order 2x)
 (+) Nut (order 2x)
 (+) M Carbon rear wheel
 (+) Sprocket carrier
 (+) Judder damper
 M Carbon wheel cover, front
 (+) Body screw without collar (order 4)
 (+) Plastic washer (order 4)
 M Carbon wheel cover, rear
 (+) M Carbon chain guard
 (+) Body screw without collar (order 2)
 (+) Expanding rivet (order 3x)
 (+) Plastic washer
 M forged wheel, front
 (+) M forged wheel, rear
 (+) Brake disc (order 2x)
 (+) Sensor ring
 (o) Repair kit, angle valve, RDC (order 2x)
 (+) Cheese head screw (order 12x)
 (o) Sign, RDC tyre pressure control (order 2x)
 (+) Angle valve (order 2x)
 (+) Nut (order 2x)
 (+) Sprocket carrier
 (+) Judder damper
 Set, M axle protectors (order 1x per axle)
 M rider footrest system, left
 (+) M rider footrest system, right
 (o) Set, spacer, footbrake lever
 M rider footrest, left
 (+) M rider footrest, right
 M passenger footrest, left
 (+) M passenger footrest, right
 M clutch lever, folding
 M brake lever, folding
 M clutch lever protector
 M brake lever protector
 M engine guard, left
 (+) M engine guard, right
 M Carbon pinion cover
 (+) Screw (M5x20)
 (+) Plastic washer
 M fairing side panel, top, left
 (+) M fairing side panel, top, right
 (+) C-clip nut, self-locking (order 2x)
 (+) Body screw without collar (order 2)
 M Carbon tank trim, left
 (+) M Carbon tank trim, right
 (+) Body screw (order 6x)
 (+) Plastic washer (order 6 of)
 (+) Clamp (order 10x)
 (+) Clip clamp (order 2x)
 (+) M Carbon airbox cover
 M Carbon chain guard
 (+) Body-bound rivet
 (+) Body screw without collar
 (+) Plastic washer
 M chain tensioner
 M remote adjustment for brake
 (+) Mounted parts
 M lithium-ion battery
 (+) Battery adapter
 M cover kit
 M fork clamp for stub handlebars, left
 (+) M fork clamp for stub handlebars, right
 Front seat, Sport
 M seat, high
 M seat, low
 M oil filler neck
 Saddlebags, 21 l
 Tank bag, 10 l
 Bag for passenger seat, 10 l
 Rear softbag, 20 l
 Tank bag, 1.5 l
 Pocket for smartphone
 Foldable rucksack
 Tail-hump cover, light-white
 (o) Plastic tail-hump cover, racing red solid paint

• = Principal part

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.se for more detailed information

1 BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2 The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3 Also available as optional equipment.

5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6 Note national-market version.

16 Only in combination with auxiliary stand, rear.

92 For use on racing circuits only.

116 Other container sizes available, see EPC.

121 Attention: Charging only. No multimedia function.

123 230-V version.

126 Info: Needed for adaptation of the footbrake lever.

127 Without OE 6AC (intelligent emergency call).

191 Only in combination with M Carbon rear-wheel cover.

192 Only in combination with M Carbon chain guard.

196 Without OE X18FA (M GPS-Laptrigger).

• = Principal part

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.se for more detailed information

1 BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2 The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3 Also available as optional equipment.

5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6 Note national-market version.

16 Only in combination with auxiliary stand, rear.

92 For use on racing circuits only.

116 Other container sizes available, see EPC.

121 Attention: Charging only. No multimedia function.

123 230-V version.

126 Info: Needed for adaptation of the footbrake lever.

127 Without OE 6AC (intelligent emergency call).

191 Only in combination with M Carbon rear-wheel cover.

192 Only in combination with M Carbon chain guard.

196 Without OE X18FA (M GPS-Laptrigger).

Please contact your dealer or visit bmw-motorrad.se for more detailed information.

1 Installation and/or enabling in a specialist workshop, preferably at your authorised BMW Motorrad Retailer.

3 Information on individual restrictions in riding speed and payload can be found in the installation/operating instructions.

5 Only in combination with luggage carrier

6 Only in combination with OE navigation preparation

7 For vehicles without navigation preparation

8 Only in combination with a dual USB charger

9 The additional headlights are approved as fog lights and may only be used in poor weather conditions.

Country-specific road traffic regulations shall be observed.

10 "Supplied without batteries for LED torch; the device takes 4 button cells, 1.5 V, type LR-41"

11 Please pay attention to marketability. Not all part numbers are available in every market due to import laws for chemical products.

12 The installation instructions are available for download on the BMW Motorrad website.

* = Principal part

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.se for more detailed information

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3) Also available as optional equipment.

4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6) Note national-market version.

16) Only in combination with auxiliary stand, rear.

32) Only in combination with Option 719 wheel rear, Classic / Option 719 wheel front, Classic.

33) Only in combination with Option 719 wheel rear, Sport / Option 719 wheel front, Sport.

116) Other container sizes available, see EPC.

119) Supplied without batteries for LED torch; the device takes 4 button cells 1.5 V type LR-41.

123) 230-V version.

129) With OE 417 (central locking system).

131) With OE 505 (Option 719 wheel, Classic).

132) With OE 506 (Option 719 wheel, Sport).

Contact your authorised BMW Motorrad retailer, consult the Electronic Parts Catalogue (EPC) or visit bmw-motorrad.dk for more detailed information

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3) Also available as optional equipment

4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6) Note national-market version

16) Only in combination with auxiliary stand, rear

20) Only in combination with luggage carrier

23) Only in combination with OE navigation preparation

32) Only in combination with Option 719 wheel rear, Classic / Option 719 wheel front, Classic

33) Only in combination with Option 719 wheel rear, Sport / Option 719 wheel front, Sport

116) Other container sizes available, see ETK/EPC

119) Supplied without batteries for LED torch; the device takes 4 button cells, 1.5 V, type LR-41

123) 230 V version

128) With OE 538 (cruise control)

131) With OE 505 (Option 719 wheel, Classic)

132) With OE 506 (Option 719 wheel, Sport)

138) Without OE 538 (cruise control)

157) Only in combination with case carrier

(+) = "and" – this item must be ordered at the same time

(o) = "or" – this item may be ordered as an alternative option

*1 Only in combination with luggage rack

*2 Including lock cylinder

*4 To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

*8 The additional headlamps are approved as fog lights and may only be used in bad weather conditions. The country-specific road traffic regulations must be adhered to.

*10 Required if no SA no. 518 "seat heating" is installed

*A For detailed information, please contact your BMW Motorrad dealer or visit bmw-motorrad.se

*B If you have any questions about tires or a new tire purchase, our BMW Motorrad partners will be happy to advise you in detail on the tires approved for the respective BMW motorcycle model.
