MOTORRAD**

ORIGINAL BMW MOTORRAD ACCESSORIES PRICE LIST 2023

MAKE LIFE A RIDE

ONLY THE BEST FOR YOUR BMW.

You want to be able to trust your BMW implicitly. All the time, 100 percent. So make sure you always use Original BMW Motorrad Parts. They remain available until your bike reaches old age, and can be obtained at short notice thanks to perfect storage logistics. State of the art production techniques guarantee high quality and performance. The parts are equivalent to standard products and must undergo numerous tests to ensure they meet the same strict requirements such as those imposed on our initial parts. And above all, they are optimally attuned to and approved for your machine. Give your BMW what it deserves – nothing but the best: for optimal performance and riding fun over its entire service life.

Contact your authorised BMW Motorrad retailer, consult the Electronic Parts Catalogue (EPC) or visit bmw-motorrad.dk for more detailed information (+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part

1 BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2 The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3 Also available as optional equipment

4 See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6 Note national-market version

23 Only in combination with navigation preparation

52 Not in combination with OE 499 (lowered suspension)

123 230 V version

134 Without OE 193 (Keyless Ride)

135 With OE 193 (Keyless Ride)

140 Without OE 202 (daytime riding light)

278 With OE 191 (Dynamic ESA)

279 Only in combination with windscreen, high

280 Only in combination with windscreen adjustment mechanism

282 Not suitable for EI00271X, EI00272S, EI00272T

289 Pay attention to marketability

Contact your authorised BMW Motorrad retailer, consult the Electronic Parts Catalogue (EPC) or visit bmw-motorrad.dk for more detailed information:

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

1 BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2 The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3 Also available as optional equipment

4 See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6 Note national-market version

23 Only in combination with navigation preparation

52 Not in combination with OE 499 (lowered suspension)

111 Only in combination with OE 499 (lowered suspension)

123 230 V version

135 With OE 193 (Keyless Ride)

140 Without OE 202 (daytime riding light)

157 Only in combination with case carrier

276 Not in combination with OE 24A (Enduro Pro package)

278 With OE 191 (Dynamic ESA)

279 Only in combination with windscreen, high

289 Pay attention to marketability

290 With keyless ride

F 900 GS Adventure

Contact your authorised BMW Motorrad retailer, consult the Electronic Parts Catalogue (EPC) or visit bmw-motorrad.dk for more detailed information

(+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part

1 BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2 The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3 Also available as optional equipment

4 See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6 Note national-market version

23 Only in combination with navigation preparation

52 Not in combination with OE 499 (lowered suspension)

123 230 V version

134 Without OE 193 (Keyless Ride)

135 With OE 193 (Keyless Ride)

140 Without OE 202 (daytime riding light)

157 Only in combination with case carrier

278 With OE 191 (Dynamic ESA)

279 Only in combination with windscreen, high

280 Only in combination with windscreen adjustment mechanism

289 Pay attention to marketability

290 With Keyless ride

F 900 R

• = Principal part

(+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part

Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.dk for more detailed information

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3) Also available as optional equipment. 4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload. 5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market. 6) Note national-market version. 18) Only in combination with single seat for luggage rack.

20) Only in combination with luggage carrier. 21) Only in combination with passenger frame.

25) Only in combination with holder for BMW Motorrad navigation system. 34) Only in combination with silencer in low position.

52) Not in combination with OE 499 (lowered suspension). 53) Not in combination with luggage rack.

57) Not in combination with rear bag. 59) Not in combination with tail-hump cover. 69) Not in combination with Scrambler single seat or Comfort passenger seat. 87) For vehicles without navigation preparation. 93) For one-up riding only.

107) Combination with rear bag, tail-hump cover and Comfort passenger seat not possible. 111) Only in combination with OE 499 (lowered suspension). 116) Other container sizes available, see EPC. 123) 230-V version. 127) Without OE 6AC (intelligent emergency call).

154) Only for ECE version. 162) Only in combination with holder for side bag. 169) Not in combination with side bags.

198) For low installation, without passenger frame 199) For low installation, without passenger frame

200) For high installation, without passenger frame 201) Not suitable for Tracker rear end trim.

202) Only in combination with passenger seat or tail-hump cover. 203) Not suitable for Sports silencer, high.

204) Only in combination with Dirt Track rear end trim.

* = Principal part
 (+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part
 Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.dk for more detailed information
 1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.
 2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.
 3) Also available as optional equipment. 4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload. 5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market. 6) Note national-market version. 18) Only in combination with single seat for luggage rack. 20) Only in combination with luggage carrier.
 21) Only in combination with passenger frame. 25) Only in combination with holder for BMW Motorrad navigation system.

* = Principal part

(+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part

Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.dk for more detailed information

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3) Also available as optional equipment. 4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload. 5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market. 6) Note national-market version. 18) Only in combination with single seat for luggage rack. 20) Only in combination with luggage carrier.

21) Only in combination with passenger frame. 25) Only in combination with holder for BMW Motorrad navigation system.

34) Only in combination with silencer in low position. 52) Not in combination with OE 499 (lowered suspension).

53) Not in combination with luggage rack. 57) Not in combination with rear bag. 59) Not in combination with tail-hump cover.

69) Not in combination with Scrambler single seat or Comfort passenger seat. 87) For vehicles without navigation preparation.

93) For one-up riding only. 107) Combination with rear bag, tail-hump cover and Comfort passenger seat not possible.

111) Only in combination with OE 499 (lowered suspension). 116) Other container sizes available, see EPC.

123) 230-V version. 127) Without OE 6AC (intelligent emergency call). 154) Only for ECE version.

162) Only in combination with holder for side bag. 169) Not in combination with side bags. 198) For low installation, with passenger frame

199) For low installation, without passenger frame 200) For high installation, without passenger frame

201) Not suitable for Tracker rear end trim. 202) Only in combination with passenger seat or tail-hump cover.

203) Not suitable for Sports silencer, high.

204) Only in combination with Dirt Track rear end trim.

• = Principal part

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

•• = Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.fi for more detailed information

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3) Also available as optional equipment

4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6) Note national-market version

7) For NSCs except in USA, Canada, Mexico, Argentina, Brazil and China and for some importers

32) Only in combination with Option 719 wheel rear, Classic / Option 719 wheel front, Classic

112) See the operating instructions for information about installation.

116) Other container sizes available, see ETK/EPC

123) 230 V version

127) Without OE 6AC (intelligent emergency call)

129) With OE 417 (central locking system)

• = Principal part (+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part
Contact your dealer or visit bmw-motorrad.dk for more detailed information
1 Installation and/or enabling in a specialist workshop, preferably your authorised BMW Motorrad retailer.
2 The installation instructions are available for download from bmw-motorrad.com/installation_instructions.
3 Also available as optional equipment.
4 Information on individual restrictions in riding speed and payload can be found in the installation/operating instructions.
5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.
6 Note differences in national-market version.
16 Only in combination with auxiliary stand, rear.
20 Only in combination with luggage carrier.
23 Only in combination with OE navigation preparation.
24 Only in combination with a dual USB charger.
28 Only in combination with M forged wheel front/rear.
29 Only in combination with topcase small, 30 l / outer shell, topcase lid.
45 Only in combination with trim panel for touring case.
74 Not in combination with engine protection bars.
75 Not in combination with LED auxiliary headlights.
112 See the operating instructions for information about installation.
121 Attention: Charging only. No multimedia function.

Contact your authorised BMW Motorrad retailer, consult the Electronic Parts Catalogue (EPC) or visit bmw-motorrad.com/nsc for more detailed information

Legend:

- (+) = Only in combination with the principal part
- (o) = Can be ordered optionally as alternative part

1 BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2 The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3 Also available as optional equipment

4 See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6 Note national-market version

23 Only in combination with navigation preparation

43 Only in combination with topcase carrier / topcase

71 Not in combination with topcase

85 Suitable only for case carrier

123 230 V version

283 Not suitable for case carrier

284 Not suitable for OE 547 (Sport suspension)

285 Not suitable for OE 20D (Adaptive ride height control)

286 Not suitable for OE 20C (Adaptive ride height control Comfort)

287 Suitable for OE 547 (Sport suspension)

288 Suitable for OE 20D (Adaptive ride height control)

289 Pay attention to marketability

290 Optional part for luggage plate

291 With OE 5AS (Riding Assistant)

292 Without OE 5AS (Riding Assistant)

• = Principal part

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.dk for more detailed information

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3) Also available as optional equipment.

4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6) Note national-market version.

15) Only in combination with a suitable passenger or rider's seat.

16) Only in combination with auxiliary stand, rear.

23) Only in combination with OE navigation preparation.

35) Only in combination with Option 719 rider footrest, adjustable, left/right.

42) Only in combination with aluminium cases / case carrier / attachment set.

43) Only in combination with topcase carrier / topcase.

48) Not in combination with Rallye seat with luggage plate. Only in combination with P/N 77 30 8 546 226 "Set of covers for grab handle holes", if the standard passenger grab handles are removed.

6) Not in combination with aluminium luggage carrier.

85) Suitable only for case carrier.

87) For vehicles without navigation preparation.

94) For off-roading only, not approved for use on public roads.

116) Other container sizes available, see EPC.

117) When used with aluminium cases, the black coating can be rubbed off at the contact points.

119) Supplied without batteries for LED torch; four button cells, 1.5 V, type LR-41 required.

121) Attention: Charging only. No multimedia function.

123) 230-V version.

127) Without OE 6AC (intelligent emergency call).

134) Without OE 193 (Keyless Ride).

135) With OE 193 (Keyless Ride).

193) Needed if no centre stand installed.

196) Without OE X18FA (M GPS-Laptrigger).

* = Principal part

(+) = Only in combination with the principal part (o) = Can be ordered optionally as alternative part

Please contact your dealer or visit bmw-motorrad.dk for more detailed information.

1 BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2 The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3 Also available as optional equipment

4 See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6 Note national-market version

16 Only in combination with auxiliary stand, rear

20 Only in combination with luggage carrier

23 Only in combination with OE navigation preparation

32 Only in combination with Option 719 wheel rear, Classic / Option 719 wheel front, Classic

33 Only in combination with Option 719 wheel rear, Sport / Option 719 wheel front, Sport

116 Other container sizes available, see ETK/EPC

119 Supplied without batteries for LED torch; the device takes 4 button cells, 1.5 V, type LR-41

123 230 V version

128 With OE 538 (cruise control)

131 With OE 505 (Option 719 wheel, Classic)

132 With OE 506 (Option 719 wheel, Sport)

138 Without OE 538 (cruise control)

157 Only in combination with case carrier

R 1250 RT

• = Principal part

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.dk for more detailed information

1) BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2) The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3) Also available as optional equipment.

4) See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5) Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6) Note national-market version.

16) Only in combination with auxiliary stand, rear.

32) Only in combination with Option 719 wheel rear, Classic / Option 719 wheel front, Classic.

33) Only in combination with Option 719 wheel rear, Sport / Option 719 wheel front, Sport.

116) Other container sizes available, see EPC.

119) Supplied without batteries for LED torch; the device takes 4 button cells 1.5 V type LR-41.

123) 230-V version.

129) With OE 417 (central locking system).

131) With OE 505 (Option 719 wheel, Classic).

132) With OE 506 (Option 719 wheel, Sport).

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

1 BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2 The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3 Also available as optional equipment

4 See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6 Note national-market version

7 For NSCs except in USA, Canada, Mexico, Argentina, Brazil and China and for some importers

16 Only in combination with auxiliary stand, rear

20 Only in combination with luggage carrier

23 Only in combination with OE navigation preparation

32 Only in combination with Option 719 wheel rear, Classic / Option 719 wheel front, Classic

33 Only in combination with Option 719 wheel rear, Sport / Option 719 wheel front, Sport

116 Other container sizes available, see ETK/EPC

119 Supplied without batteries for LED torch; the device takes 4 button cells, 1.5 V, type LR-41

123 230 V version

128 With OE 538 (cruise control)

131 With OE 505 (Option 719 wheel, Classic)

132 With OE 506 (Option 719 wheel, Sport)

138 Without OE 538 (cruise control)

157 Only in combination with case carrier

• = Principal part

(+) = Only in combination with the principal part

(o) = Can be ordered optionally as alternative part

Contact your authorised BMW Motorrad retailer or visit bmw-motorrad.dk for more detailed information

1 BMW Motorrad recommends installation and/or enabling by a specialist workshop, preferably an authorised BMW Motorrad retailer.

2 The installation instructions are available to customers for download from bmw-motorrad.com/installation_instructions.

3 Also available as optional equipment

4 See the installation instructions/operating instructions for information about restrictions on riding speed and payload.

5 Please pay attention to marketability. On account of import laws for chemical products, not every part number is available in every market.

6 Note national-market version

112 See the operating instructions for information about installation.

123 230 V version

127 Without OE 6AC (intelligent emergency call)
